## Fun and Fellowship

In the past we've had guest musical groups or special speakers as our Saturday evening entertainment, but you told us you would like more free time to relax. So this year we have made Saturday night a free evening. We'll give you a chance to make some new acquaintances or re-connect with old friends. We will also provide a chance to get involved in activities. Spread throughout the Jackson's Point Conference Centre will be multiple stations where members of Flame can get into some fun competitions, like:

- Progressive Euchre
- Trivia contest
- Snooker
- Board Games

So you can get into some fierce competitions or just relax. These activities, plus the music that always pops up, will offer everyone a chance to choose their evening activity and get to know each other in a less formal atmosphere. Come kickback on Saturday night.
