Fellowship &
Learning for
Anglican
Men's
Enrichment

Come to Flame 2013, November 8th to 10th, for three exciting days of fellowship and learning. The 59th Flame Conference consists of a series of thought-provoking, thematic talks from Reverend Harold Percy, a number of small group discussions, praise and worship gatherings, *plus* some quiet time and there's a night of fun and fellowship planned for Saturday evening as well.

Salvation Army's
Conference Centre
at Jackson's Point

This weekend conference is held in the relaxed atmosphere of the Salvation Army's Conference Centre at Jackson's Point on the south shore of lake Simcoe. You'll come away from this 3-day event, refreshed in your faith and with a wealth of great memories and new friends.

"Living to the Glory of God"
FLAME 2013

Fun & Fellowship

This year the Flame Committee would like to continue with what was initiated a few years ago where Saturday evening was a night free of any formal activity. Everyone seems to enjoy this open period that affords you time to make some new acquaintances or re-connect with old friends.

Continuing as well to the mix will be another full-length movie for those who like to kickback and relax, while our games night will be repeated, allowing some folks to get into fierce competition.

Spread throughout the Jackson's Point Conference Centre will be multiple stations where members of Flame can get into some fun rivalries, like:

- Progressive Euchre
- Snooker
- Darts
- Board Games

These activities, plus the music that always pops up, will offer everyone a chance to relax and get to know each other in a less formal atmosphere. Come kickback on Saturday night.
