**2016**

Come to Flame 2016, October 28th to 30th, for 3 exciting days of fellowship and learning. The 62nd Flame Conference consists of a series of thought-provoking, thematic talks from The Right Reverend Mark MacDonald, a number of small group discussions, praise and worship gatherings, *plus* some quiet time and there's a night of fun and fellowship planned for Saturday evening as well.

Salvation Army's  
Conference Centre  
at Jackson's Point

This weekend conference is held in the relaxed atmosphere of the Salvation Army's Conference Centre at Jackson's Point on the south shore of lake Simcoe. You'll come away from this 3-day event, refreshed in your faith and with a wealth of great memories and new friends.

## FLAME 2016

## Fun & Fellowship

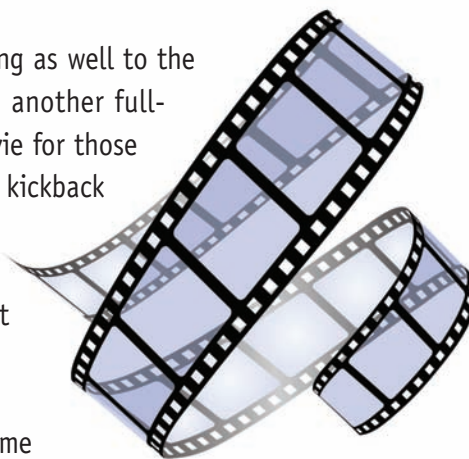

This year the Flame Committee would like to continue with what was initiated a few years ago where Saturday evening was a night free of any formal activity. Everyone seems to enjoy this open period that affords you time to make some new acquaintances or re-connect with old friends.

Continuing as well to the mix will be another full-length movie for those who like to kickback and relax, while our games night will be repeated, allowing some folks to get into fierce competition.

Spread throughout the Jackson's Point Conference Centre will be multiple stations where members of Flame can get into some fun rivalries, like:

- Progressive Euchre
- Snooker
- Darts
- Board Games

These activities, plus the music that always pops up, will offer everyone a chance to relax and get to know each other in a less formal atmosphere. Come kickback on Saturday night.
